BIBLE

BASIC INSTRUCTION BEFORE LEAVING EARTH

Join us to better understand God's Word in the Bible. The Bible can be described as a collection of love letters from God giving us the information we need to achieve eternal salvation and union with God's Love. Saint Gregory's scripture study group wants you to join them to participate in a study of the Book of Jeremiah. This book combines history, biography and prophesy. It portrays the Jewish nation in crisis and tells the reader of a person the Lord called to prophesy during the trying days before the collapse of Jerusalem and the Babylonian captivity. He announced a New Covenant. This study will consist of 11 sessions. We start this program on March 23, Thursday afternoon from 3:00 PM to 5:30 and repeat the session for those who cannot attend the afternoon time in the evening from 7:00 PM to 8:30. Each session is independent of the others, so even if you miss the first or second you can join our group. No prior experience in our study group is needed to participate in this program which will last for five weeks. Enter into discussion and learn the Word of God. We will meet once a week on Thursday in the rectory basement for the 3:00 PM session and in the school, room 101 for the evening session, starting with prayer, discuss the reading and then close with prayer. All you need is a Bible and a pen, other materials will be provided. When you reflect on Scripture you must learn what the Scripture says, what the Scripture passage means, what it means to you and what is most important, what you are going to do about it. Through this process you will find comfort in God's Word but you will also find challenge. To learn more about this program please call Deacon John Kelly at home 947 2095

LET THERE BE LIGHT

These first words of God in the Bible come to mind as we enjoy the new lights in our church. They are LED lights. [LEDs are "directional" light sources, which means they emit light in a specific direction, unlike incandescent and compact fluorescent bulbs, which emit light and heat in all directions. For this reason, LED lighting is able to use light and energy more efficiently.] They will brighten our church for many years. St. Peter and St. Mary Church thanks Joe Cacioppo, jr., Rich Luongo, Vito Motisi, Joe Natale, Ron Olori, sr; Ron Olori, jr., and Angelo Palumbo for their work.

INSTRUCCIONES BÍBLICAS BÁSICAS ANTES DE DEJAR ESTE MUNDO

Comparta con nosotros en la Iglesia San Gregorio para un mejor entendimiento de la Palabra de Dios en la Biblia. La Biblia puede ser descrita como una colección de cartas de amor de parte de Dios, dándonos la información que necesitamos para alcanzar la salvación eterna y la unión con el Amor de Dios. El grupo de estudio de las Escrituras de la Iglesia San Gregorio, quiere que ustedes se unan a ellos para participar en un estudio nuevo titulado "Buena Nueva en Nuevos Lugares". Este programa comenzará el 29 de septiembre, día jueves, a las 3PM, con una sesión repetida a las 7PM y cada cual tendrán una duración de alrededor de 90 minutos. Cada sesión es independiente de las otras, así que, aun haya faltado una semana o dos, usted puede aprender bastante. No necesita tener experiencia previa para participar en este programa, el cual operará durante 9 semanas y será completado antes de las Navidades. Nos reuniremos una vez por semana, los días jueves en la tarde, en el sótano de rectoría y la sesión nocturna se reunirá en el salón 101 de la escuela. Comenzaremos con una oración, discusión de los materiales pertinentes y algunos asuntos contemporáneos relacionados con nuestra fe y la oración final. Todo lo que usted necesita es una Biblia y un lapicero, otros materiales serán provistos. A través de este proceso usted se encontrará cómodo(a) con la Palabra de Dios, pero también encontrará desafíos. Para más información sobre este programa, favor de contactar al Diacono John Kelly o Lucy Kelly 845 947 2095.

QUE SE HAGA LA LUZ

Estas primeras palabras de Dios en la Biblia nos vienen a la mente mientras disfrutamos de las nuevas luces en nuestra iglesia. Son luces LED. Los [LEDs son fuentes de luz "direccional", lo que significa que emiten luz en una dirección específica, a diferencia de las bombillas incandescentes y fluorescentes compactas, que emiten luz y calor en todas las direcciones. Por esta razón, la iluminación LED es capaz de utilizar la luz y la energía de forma más eficiente.] Hará ilumine nuestra iglesia durante muchos años. La Iglesia San Pedro y Santa María le da las gracias a Joe Cacioppo, jr., Rich Luongo, Vito Motisi, Joe Natale, Ron Olori, Sr; Ron Olori, jr., y Angelo Palumbo por su trabajo.
